

IX PAMinSA

PALEOPATHOLOGY ASSOCIATION
MEETING IN SOUTH AMERICA

Climatic events, environmental changes,
mobility and health in the past

COCHABAMBA-BOLIVIA
August 9 - 11, 2023

FOURTH ANNOUNCEMENT

Dear colleagues:

We would like to inform the extension of the abstracts reception date for all the modalities of presentation of works for the IX PAMinSA- Paleopathology Association Meeting in South America, that will be held from August 9 to 11, 2023 in the city of Cochabamba, Bolivia.

Abstracts may be sent until **March 31, 2023**, indicating the exposition instance (name of the symposium or poster session). The Organizing Commission and the Scientific Committee will be in charge of receiving, evaluating and selecting the summaries sent for each modality until **May 10**. Registration will be open until the day of the congress and the complete program will be published on **June 30, 2023**.

PAMinSA Bolivia will have no registration fee and will have the participation of renowned international researchers who will be in charge of keynote talks and symposiums. The congress will have three keynote talks, which will be given by Dr. Sonia Guillen (Peru), Dr. Karl Reinhard (USA) and Dr. Albert Zink (Italy).

All the information about the congress can be reviewed on the website (<https://paminsabolivia.umss.edu.bo/>).

Best regards.
